

Books can inspire you...

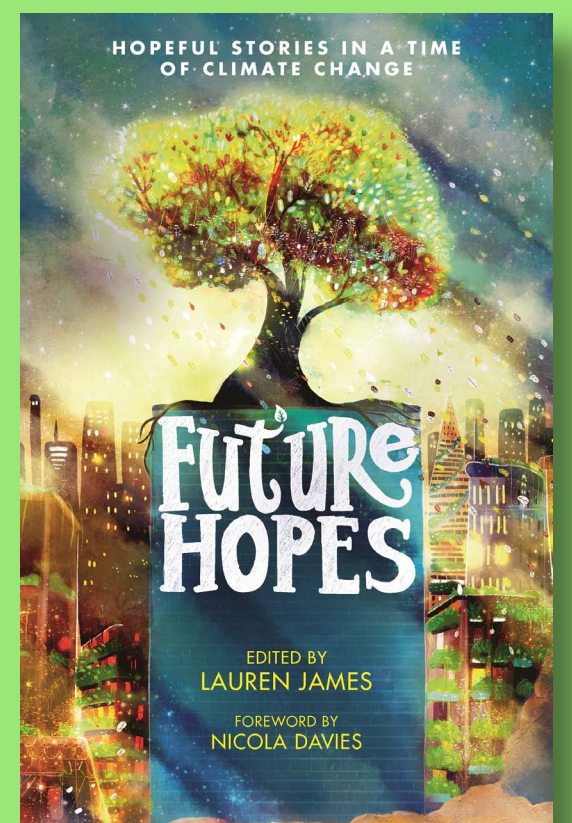

Anton and his crew rule the school,
but is he king of the school
or king of nothing?

Journey to a dangerous, futuristic
world with Coll and Wolf.

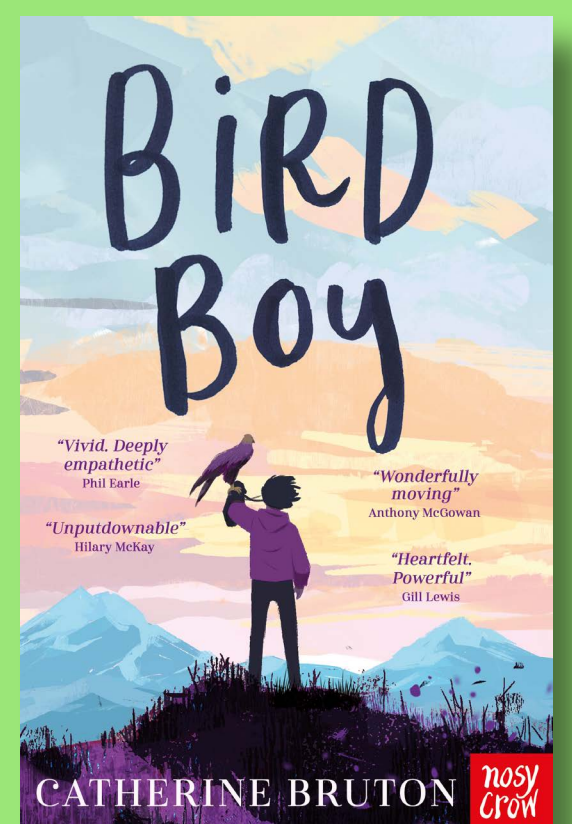

How might technology change
the way we live?

What has happened to Lena's
missing brother?

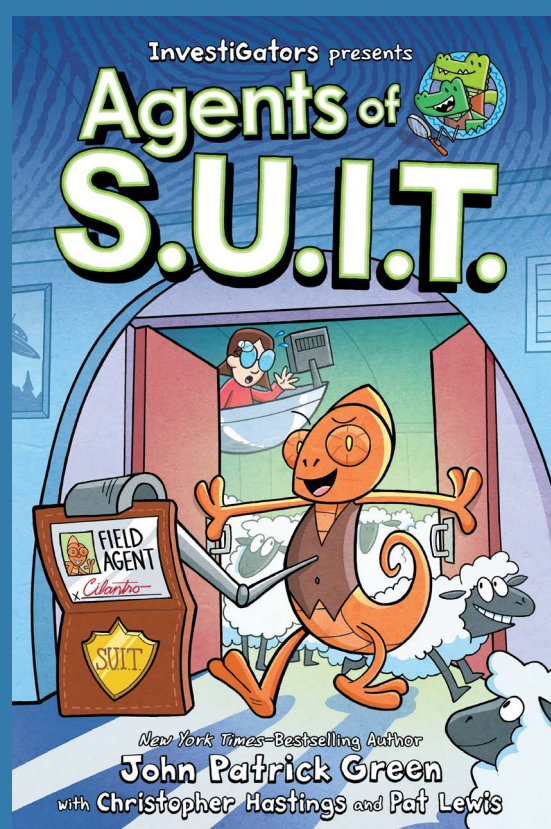

Can Will save the life of an
injured bird and find a new place
to call home?

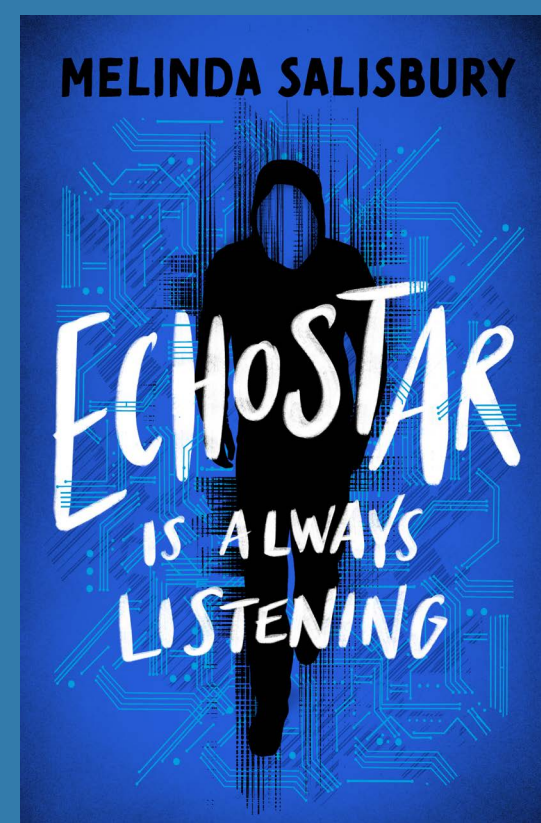

Pick up some inspiration in your school library today!

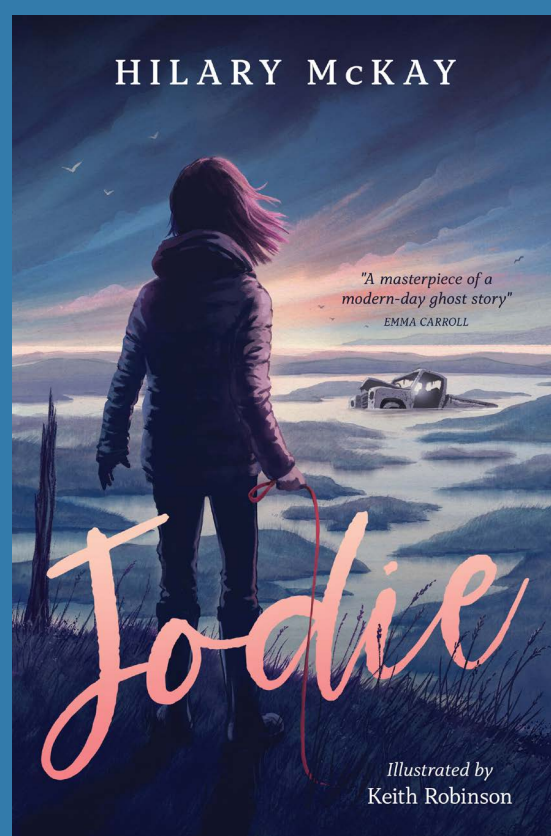

There's more than one way to enjoy a book...

What is Ruby's AI assistant EchoStar hiding in this edge-of-your-seat cyber-thriller?

Join in the fun with the Special Undercover Investigation Team.

Read Tuva's diary as she figures out friends, school, and first love.

Out on the marshlands, trapped in a sinking truck and with the water rising, will Jodie find a way to escape?

Travel to the other side of the world with Chang as she rescues an elephant from captivity.

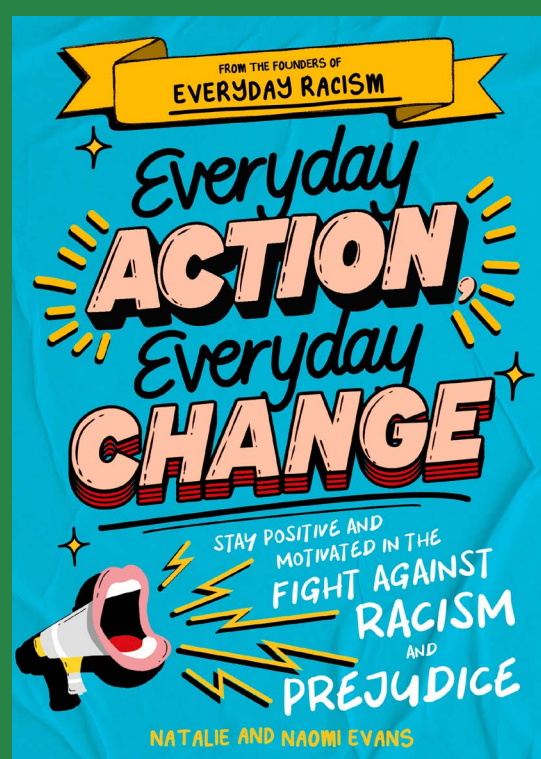

Find your way in the library today!

Reading can help you find out more about...

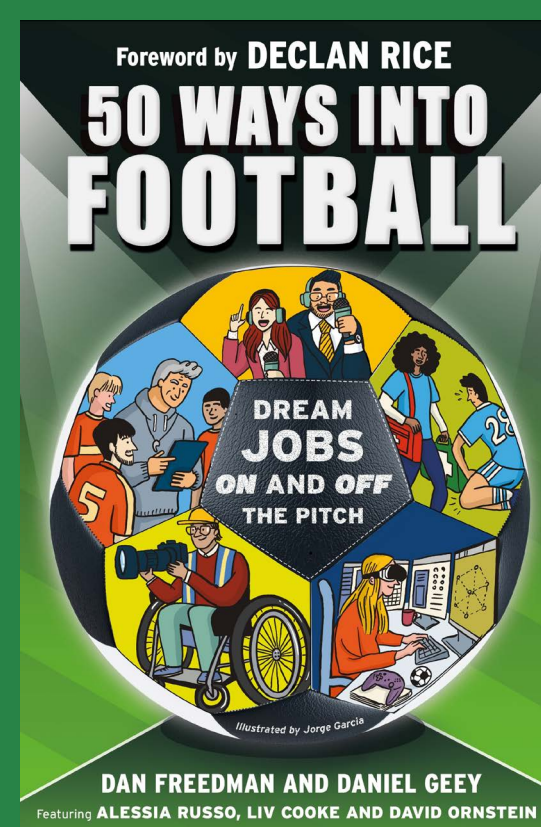

...how money works and how
to make it!

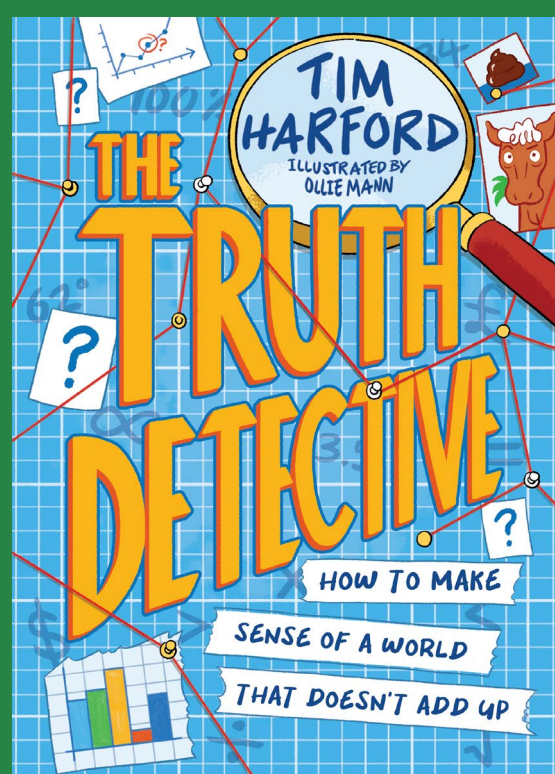

...discrimination and how to stand
up to bullying words and actions.

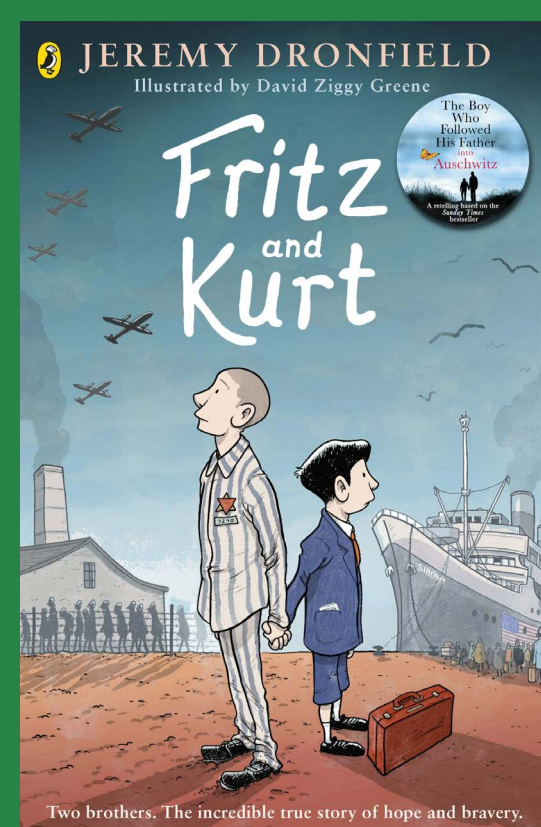

...all the amazing jobs in sport you
could do.

...what fake news is and how to find
truth in the things people tell you.

...brothers Fritz and Kurt and
their extraordinary story of
Holocaust survival.
