

Hello!

My name is Tom Adams and I am the writer of the book that you have got in your hands RIGHT NOW!

I am so thrilled that you have been given a copy to read - I really hope you enjoy reading it as much as I enjoyed writing it.

Bits of it are SPOOKY!

Bits of it are SURPRISING!

And bits of it are just plain WEIRD!
(I like these bits the best).

Happy reading

Tom Adams.

WHOOOOOOO.....

(this is why I did the writing and not the illustrations!)
