Pori Drwy Stori

Question Card

Below you will find questions to ask, ideas to try and things to talk about as you enjoy this colourful and fun book together!

Questions to ask

- Which dinosaurs can you find in the story? Can you find a Velociraptor? A Triceratops? A Diplodocus?
- How would it feel to discover a dinosaur? Who would you tell about your discovery?
- Can you find the bugs in the book? What colours are they?
- The children use lots of different tools on their adventure. Which of the tools in the book would you like to use?
- If you could be any dinosaur, which one would you choose and why?

Ideas to try

In this book, the children go on an expedition to find dinosaurs. You could try joining in with their actions while they Dig! Dig! Dig!

- Can you dig like an explorer? Have fun pretending to use all of the digging tools in the story.
- Imagine you are a Diplodocus swinging your long tail from side to side!
- Make sure you have plenty of space around you and stomp or move like a dinosaur!

Things to talk about

- Have you read any other books or heard any stories which have dinosaurs in them?
- Can you find out any facts about dinosaurs?
- Do you know any rhymes or songs about dinosaurs? Maybe ones about how they move or the sounds they make?
