

Activity Idea:

Find the 'feeling faces'

- When you look at the faces on the fruit and vegetable characters, can you tell how they might be feeling?
- How do you think their faces change from one page to another?
- Can you spot a happy carrot?
A scared cucumber? A confused tomato?
- Can you draw your own fruit or vegetable and add a face? What name would you give them?

This is a matching game!

- Can you find something red in the book?
And can you find something red that isn't in the book, too?
- What colours can you see around you?
Can you find those same colours in the book?
- You could take the book out with you –
what colours can you match when you're out and about?

Rhyme Time:

Ten green bottles

Ten green bottles
hanging on the wall

Ten green bottles
hanging on the wall

And if one green bottle
should accidentally fall

There'll be nine green bottles
hanging on the wall

As you continue the rhyme you could
change the colours of the bottles to the
different colours you see in the book.
