Wada qabta ama hel walaalaha iyo gabdhaha inay ku soo biiraan oo kulansiyo sheekooyin iyo wada heesa.

Weydii su'aalaha marka aad wada aqrineysaan sida:  
'Maxaad ku arki kartaa bogga?'  
'Sidee ayaad u maleysay in sifada ay dareemeyso?'

erayada badan ee canugaaga baranayo.**

# Waxyaabaha la sameeyo

Ciyaar ciyaarta qiyaasida marka ay kaa dhammaato oo qiyaastii wadajir ah. Weydii canugaaga lambaradee ama xarfahee waxay arki karaan basaska, boorarka iyo aastaamaha.

Canugaaga haku baashaalo isaga oo ku sameynayo aastaamo warqada oo qalin geed ama qalinka sawirka. Ma jiraan qaab qaldanaan iyo saxnaan ee aad ku sawirtid sawirka - tani waa heerka ugu horeeyo ee lagu qorayo ama lagu sawirayo.
