Have fun with The Unicorn's Challenge this autumn!

The Unicorn's Challenge contains lots of fun activities to help you support your child to learn.

The activities and games inside are great fun for you and your child to enjoy together. Through discussion and play, they also give your child an opportunity to practise and develop the literacy and numeracy skills they learnt in Reception.

You could let your child choose which activity they would like to do and encourage them not to worry about making mistakes. They can play their favourite activities again and again, and other family members can join in too!

Use our interactive videos to help your child get the most from the magazine.

Creepy Crawlies

Spiders always have eight legs,
And spiderlings hatch out from eggs,
And with their silk a web they weave,
There's one crawling up your sleeve.

Creepy crawlies,
Creepy crawlies,
Creepy crawlies,
Creepy crawlies.

There's a lot of creepy crawlies
over here.
