

You're a super star!

**Twinkle like the night sky in a starry headband.
Follow these simple steps to make your own:**

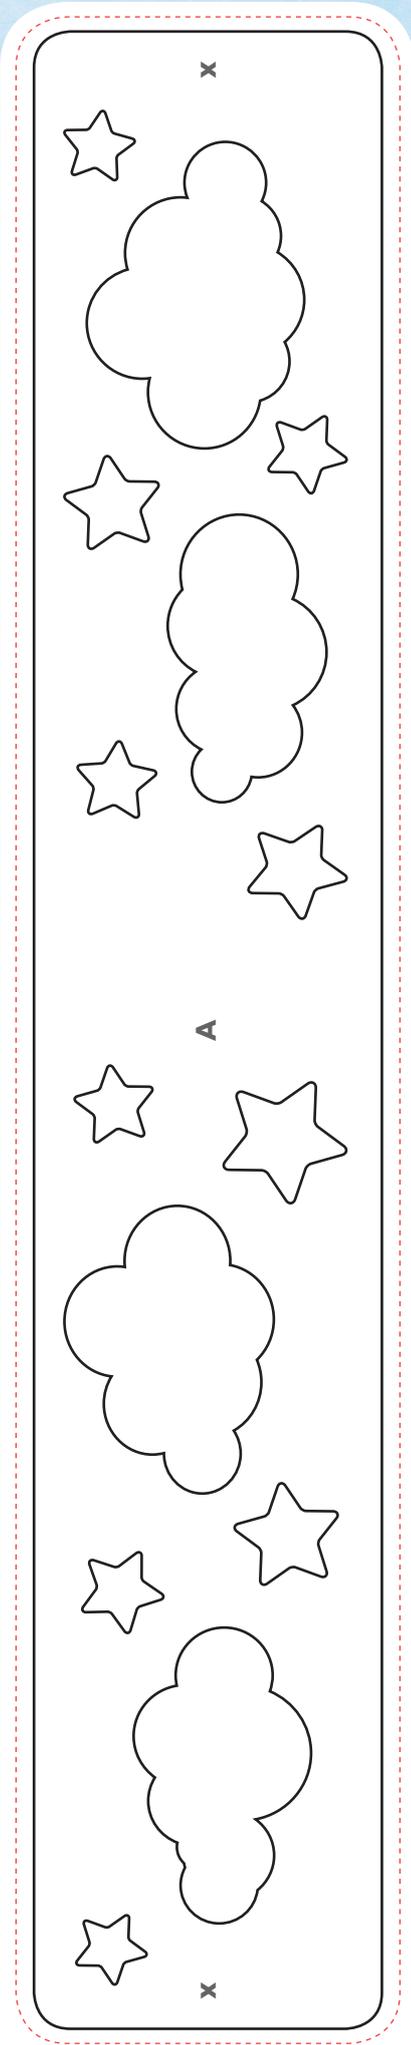

1. Decorate your stars, clouds and moon using coloured pencils, paper, paints or even biodegradable glitter.
2. Ask a grown up to help you push out the pieces and staple them together by matching the letters.
3. Once the decoration is attached, staple the two headband pieces together, making sure it fits snugly.
4. Put your headband on and sparkle like a star!
